Consent to Personal Data Processing

I, _____ (Name, Surname) (hereinafter referred to as «Person»), give my consent to the Federal State-Financed Educational Institution of Higher Professional Education «Novosibirsk State Technical University» represented by Vice Rector for Academic Affairs Anatoliy Andreevich Bataev (hereinafter referred to as «Operator») to personal data processing under the following conditions:

1. I give my consent to personal data processing including collection, systematization, accumulation, amendment (update, change), depersonalization, blocking, elimination, and use of the data by Operator's staff members (the abovementioned methods of data processing are stated in the Federal Law of Russian Federation #152 of 27 July 2006) for the period of application documents preparation and registration (taking entrance examinations), and in case of admission to Novosibirsk State Technical University for the period of study for the purposes of informational support and monitoring of the educational process, scientific, organizational and financial economic activities of the University, and in cases stated by regulations of superior bodies and laws of Russian Federation. The Operator may disclose any information to law-enforcement authorities by their official inquiry in cases stated by laws in the country of residence of the Person.
2. In accordance with the University admission rules, I give my consent to publishing of my entrance examinations results on the Operator's website.
3. The personal data submitted to Operator for processing are: name, surname, date and place of birth, information about my previous education (city, educational institution, period of study, information about educational documents), place of registration, residence, passport information, information necessary for obtaining privileges, information about the University educational process, information used in access control and management systems in the University campus, academic performance, contact information.
4. The consent is valid throughout the personal data storage period.
